Hi Jonathan,

Coreen is back in the country now, but is out of the office today. If you provide your availability I'm sure she can coordinate a call with you this week to discuss the subpoenas.

Subject: RE: Subpoenas

Dustin:

I think these subpoenae are untimely under the contours of the pretrial scheduling order which states that all discovery, including the time period for response to any discovery demand(s) must be completed by not later than December 28, 2021.

These entities, and their relationship with Mr. Nazario was disclosed at the beginning of discovery, and the SDT's Defendant Gutierrez has issued are to be responded outside the close of discovery. Thus, they are not permitted.

Kindly verify that you are going to withdraw the same so we can avoid further discovery briefing.

Thanks,

Jonathan
